THE STATE OF UTAH

TO ALL WHOM THESE PRESENTS SHALL COME, Greeting:

Know ye, This is an Acknowledgment and Notice of Acknowledgment made under Utah Code Sections 72-5-309 through 310 inclusive, that the grant of the United States of America of “the right of way for the construction of highways over public lands, not reserved for public uses” under United States Revised Statutes 2477 (43 U.S.C. Section 932 (repealed October 21, 1976, with proviso recognizing the validity of rights-of-way already established)) was accepted for and on behalf of the State of Utah and its political subdivision Duchesne County as it pertains to the highway located in Duchesne County known as Snyder Reservoir Road; County Road Number: 538; State Geographic Information Database (SGID) Road Identification Number: RD070052. Total road length is 0.42 miles more or less.

The reason for this Acknowledgment and Notice of Acknowledgment includes, but is not limited to, the fact that the road was constructed, mechanically, or by continuous use as a public highway for a period of at least ten years, over public lands not reserved for public uses, prior to the earlier of (a) the October 21, 1976 repeal of R.S. 2477 or (b) the date the servient estate was reserved for public uses.

This Acknowledgment and Notice of Acknowledgment applies only to the segments of the road that traverse land owned by the Bureau of Land Management, United States Department of the Interior, and does not apply to segments of the road that traverse land owned by any other person or entity. The State of Utah and its political subdivisions reserve the right to make further acknowledgments and notices of acknowledgment with regard to road segments that traverse land owned by other entities, including the United States of America, through one or more of its agencies.

A printed copy of a map showing the location of the road in said county is appended hereto as “Attachment 1,” a printed copy of representative photos of the road is appended hereto as “Attachment 2,” a printed copy of a description of the beginning and ending points of the entire road together with a list of Townships, Ranges and Sections that may be traversed by the road in said county is appended hereto as “Attachment 3,” and a printed copy of the Road Centerline Description Cover Page(s) is appended hereto as “Attachment 4.” The Appendices listed in “Attachment 4” that contain the actual road centerline descriptions are incorporated herein by reference. Affidavits provided by individuals familiar with the road are appended hereto as “Attachment 5.”

A printed copy of this Acknowledgment and Notice of Acknowledgment, together with its Attachments and Appendices, may be viewed and/or obtained at the office of the Utah State Archives.

An electronic copy of this Acknowledgment and Notice of Acknowledgment, together with its Attachments and Appendices, may be viewed and/or downloaded as read-only PDF (Portable Document Format) files via the

Internet at <http://recorded2477roads.utah.gov>.

The owner of the servient estate in the land underlying the road-segments subject to this Acknowledgment and Notice is believed to be the United States of America through one or more of its agencies. Any of such agencies or any other person with a servient ownership claim or a competing dominant estate right-of-way ownership claim, may file a petition in the State District Court for Salt Lake County for a decision regarding the correctness of this Acknowledgment. A claimant shall file a petition within sixty (60) days after receipt of this Notice.

In Witness Whereof, I, John Harja, the official designee of the Governor of the State of Utah, in conformity to the laws of the State (Utah Code Sections 72-5-308 through 310 inclusive), have caused this Acknowledgment and Notice of Acknowledgment to be made.

 : ss.
County of Duchesne)

I, JAMES L. BROWN, testify and declare under oath as follows:

1. I am an adult competent to testify about the matters set forth in this affidavit. My testimony is based upon my personal knowledge and experience. I was born on May 10, 1942, in Evanston, Wyoming. I have lived in Duchesne County since 1970. I did seasonal work for the BLM and Forest Service in Duchesne County from 1965 to 1970. From 1970 to 1986 I worked for Nutter Ranch in Duchesne, Uintah and Carbon Counties.

2. I have traveled and am familiar with Snyder Reservoir Road, Duchesne County Road 538, and the land it traverses.

3. I took the following steps to verify that the Road I refer to in this affidavit and Snyder Reservoir Road (the " Road") are the same road:

a. I examined a large Duchesne County map depicting the Road in relation to other roads, intersections and landmarks. I observed the Road on the large map verifying that it is accurately depicted on the map and it is the road I refer to herein.

b. I examined the map attached to this affidavit depicting the Road and surrounding area and verified that the Road is accurately depicted on the map and is the road I refer to herein.

c. I examined ground photos depicting the road and surrounding area and verified that the Road is accurately depicted in the photos and is the Road I refer to herein.

4. I have personally traveled the Road from 1965 through 1976 and continuing until 2007, (“the Time Period of My Experience”). It is the reputation in the community that the Road has been traveled as early as the early 1900s by livestock men.

5. When I last traveled and observed the Road in 2007, it followed the same route as in 1965, when I first traveled and observed it.

6. During the Time Period of My Experience the Road has been traveled weekly, weather permitting, during hunting seasons and less frequently at other times . Based upon my observation during the Time Period of My Experience, the Road was continuously used as a public thoroughfare by members of the public for public purposes whenever it was necessary and convenient for them to do so and I have never known the use of the road to have been interrupted by any means.

7. During the Time Period of My Experience I have personally traveled the Road by horseback, pickup truck and have observed others traveling the road in pickup trucks.

8. During the Time Period of My Experience I have personally used the Road for livestock operations, my work with Nutter Ranch, BLM, NRCS (Natural Resource Conservation Service) and the GIP (Grazing Improvement Program) and hunting and have observed others use the Road for the same purposes, plus recreation.

Appendix A to Attachment 4

Popular Name: Snyder Reservoir Road

County: Duchesne

County Road Number: 538

State Geographic Information Database (SGID) Road Identification Number: RD070052.

Road-Segment Number: 001

Road-Segment Length: 0.42 miles more or less.

Believed owner of the land underlying this road-segment is: Bureau of Land Management.

The following description is based upon the geographic coordinate system using the NAD83 Datum. The source is GPS mapping grade data as indicated in the metadata and/or the transportation data model of the State of Utah Geographic Information Database (SGID).

The road-segment itself is the monument that is identified by its physical presence on the land. The location of said physical presence is closely approximated by mapping grade Global Positioning System (GPS) data. Said data are checked against the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS) to verify a reasonable degree of accuracy. In circumstances where accurate satellite signal acquisition is not possible, such as deep, narrow canyons or under a canopy of dense foliage, or where very sharp curves in the road make accuracy questionable, such portions of the road were digitized from the corresponding gray-scale 1-meter Digital Orthophoto Quadrangles published by the United States Geological Survey (USGS).

This road-segment may traverse:

Township 9 South Range 17 East, Section(s) 21,22, Salt Lake Base & Meridian

The following description closely approximates the location of the centerline of the physical monument (Snyder Reservoir Road)-- Segment 001 based on mapping grade Global Positioning System (GPS) data as defined above:
