AFFIDAVIT OF RON JONES
GRANITE RANCH ROAD
JUAB COUNTY, UTAH
ROAD NUMBER 17130401

State of Utah)
 : ss.
County of Juab)

RON JONES, being first duly sworn, deposes and states as follows:

1. I am an adult competent to testify about the matters set forth below based upon my personal knowledge. I currently reside in Nephi, Juab County, Utah. I have lived in Juab County for 85 years. I was an employee of the Juab County Road Department for 38 years from 1947 to 1987 and have participated in maintenance of county B roads during that time.

2. I have traveled and am familiar with a road in Juab County known as Granite Ranch Road. I am also familiar with the land the road traverses. When I first used and observed the northern portion of the road in the late 1940s it followed the same route as in 2007 when I last observed it. The southern portion of the road that travels north and south was constructed in the early 1970s. Attached is a Juab County map showing Granite Ranch Road. To the best of my knowledge and based upon my use of and familiarity with this road and the land it traverses, the location and route of the road are correctly illustrated on the attached map.

3. I am informed that the County also identifies this road according to the road number listed above.

4. I have observed that the road has been open to the public for all to use, to come and go as they pleased, since at least as early as the late 1940s and continuing through 1976 to 2007. Throughout this time period I have observed travel on the road by means of cars, trucks, recreational vehicles, and pickup trucks. Throughout this time period, the road has been used daily for more than ten continuous years prior to 1976, and was used daily in 2007.

5. Throughout the time period from the late 1940s to 2007, I have used the road myself for county road maintenance, sight-seeing and travel in and through the area.

6. Throughout the time period described in the previous paragraph, I have observed other vehicles from the general public using the road at various times for the uses described in the previous paragraph, plus livestock operations, farming, private property and residential access, hunting, trapping and recreation.

7. It is also the reputation in the community that this road has been open to the public for all to use, to come and go as they pleased, since at least as early as the early 1900s, with the exception of the southern portion of the road that was constructed in the early 1970s, and continuing through 1976 to the present, for the uses described in the previous paragraphs.

8. Prior to 1976 I participated in maintenance and construction activities on the road as a county road employee.

DATED this 6 day of June, 2007.
